Information Collection

To customise services in some areas of the site, "cookies" are used to collect information about viewers' browsing habits. Cookies are small text files stored in a user's browser; they are not used to track the identity of individual users or to store personal data about them.

If you are concerned about cookies and do not wish to receive a cookie from our website, you may set your Internet browser to notify you when you receive a cookie. You can then decide to either accept or reject it. However, under specific circumstances, visitors may be denied access to some parts of our site if their browsers reject cookies.

To ensure that our Web-site is well managed our service provider or we may track information on our systems and identify categories of visitors by items such as domain, company IP address and browser type. This information is reported in the aggregate and includes no personal identifiers. Our internal webmasters use this information to analyse the number of visitors to different areas of our site to make sure that our Web-site is serving as a useful and effective information source.

Information Use

Personal information is used only for limited purposes, compatible with the purposes for which the information was collected. For example: when you contact us online with feedback, enquiries, or information requests, indicating you would like a reply, we will use the information you submit to respond to you.

We will not use personal information to facilitate unsolicited marketing activities.

Disclosure of Information to Third Parties

Bluefin Insurance Services Limited will never sell, release, or give any visitor's information to an unaffiliated third party without first notifying that visitor and receiving explicit permission and approval. Bluefin Insurance Services Limited may provide a visitor's information to its agents, affiliates, related entities that are members of the Bluefin Group, or to outside service providers, processing the information on our behalf, when necessary to achieve the purpose for which such information was submitted.

Bluefin Insurance Services Limited will use reasonable efforts to keep an accurate record of any information submitted by any visitor to this Web-site. Bluefin Insurance Services Limited is not responsible for verifying the continued accuracy of this information. If Bluefin Insurance Services Limited is made aware that personal data previously submitted to the site is no longer accurate, and if it is practical, Bluefin Insurance Services Limited will use its best efforts to make appropriate corrections based on updated, revised information provided by visitors. Upon request, Bluefin Insurance Services Limited will do what is reasonable and practical to remove any personal information from its systems.

Information Security

Bluefin Insurance Services Limited has in place appropriate organisational, physical, and technical security arrangements to protect all information provided by visitors from misuse, loss, or corruption.

Changes to our Privacy Policy

Bluefin Insurance Services Limited reserves the right to modify or amend this privacy statement at any time and for any reason.
